Handler ID: NJD011686326

Included in National Report: Yes

Number of GM Forms: 100

Number of WR Forms: 100

GM and WR Form Sort Order: Descending Order by Waste

Include Notes: Yes

Report Description

This report is designed to provide all information from the Biennial Report forms in a concise manner. This report should be used after identifying facilities with potential problems using the Top Generator/Manager/Shipper/Receiver List reports or other Biennial Report data quality reports. If the user is not interested in seeing GM or WR forms, 0 (zero) may be specified to omit this portion of the report. The user may restrict data to records that were actually included in the National Biennial
